

CSTE Sunday HAI Prevention Pre-conference Workshop

Sunday, June 14, 2015 – 8:00am – 4:30pm EST

This pre-conference workshop is geared toward HAI Coordinators, HAI Program Managers, and health department staff that are currently engaged or interested in HAI prevention and response activities. The workshop will be interactive and health departments will share their experiences through presentations and facilitated dialogue. The sessions will include brief presentations and discussions on topics to address detection, response, and prevention of infections.
