

**CSTE Sunday Healthcare-associated Infections (HAI) and Antimicrobial Resistance (AR) Prevention
Pre-conference Workshop
Sunday, June 19, 2016 – 8:45am – 4:30pm AKST**

This pre-conference workshop is geared toward HAI Coordinators, HAI Program Managers, and health department staff currently engaged or interested in HAI detection, prevention, and response activities. The workshop will be interactive with health departments sharing experiences through presentations and facilitated dialogue. The sessions will include brief presentations and discussions on topics to address detection, response, and prevention of healthcare-associated infections.

Draft Agenda

8:45am – 8:55am - Welcome and Introductions

8:55am – 9:15am - Overview of FY16 AR Priorities and Combatting Antimicrobial Resistant Bacteria (CARB) – (Elizabeth Mothershed)

- CARB targets
- New activities in FY16 – Epidemiology and Laboratory Capacity (ELC), EpiCenters, Emerging Infections Program (EIP), Fellowships, Direct Assistance, Lab
- Discuss integrated HAI/AR program (with Ebola activities)
- Performance, goal-setting, outcomes

9:15am – 10:00am – Expanded and Enhanced Information Management for HAI Programs (M. Crist and S. Franklin)

10:00am – 10:30am BREAK

10:30am – 12:00pm – Accessing Data for Prevention (Surveillance and ERIB)

- Know the data you have available – National Healthcare Safety Network (NHSN); Antimicrobial Use (AU)/AR; Patient Safety Atlas; Hospital Compare; EIP; outbreak data; Targeted Areas for Prevention (TAP) reports; and National Notifiable Disease Surveillance System (NNDSS)
- Data Use Agreements (DUAs) – lessons learned from states who have implemented DUAs
- Social networking data – Centers for Medicare and Medicaid Services (CMS) discharge data, etc.

12:00pm – 1:15pm LUNCH

1:15pm – 2:45pm - Advancing Prevention with Partners (State Panels)

- Traditional partners – Hospital Associations, Quality Innovation Network (QIN)/Quality Improvement Organization (QIO), local health departments, Hospital Engagement Networks (HENs)
- Non-traditional partners – Regulatory, EpiCenters, labs, hospital systems, vendors

2:45pm – 3:15pm BREAK

3:15pm – 4:00pm – NHSN's 2015 SIR Re-baseline (Maggie Dudeck and Lindsey Weiner) POC Lindsey

- Updates on the Re-baseline process
- Discussion about the 2015 HAI Progress Report

4:00pm– 4:30pm - Advanced Analytics of the SIR (Jonathan Edwards)
