Renee Johnson (CDC), Michael Bauer (NYS), Barbara Gabella (CO)

**10:30 – 10:59 AM Data Quality Workgroup Progress**

Megan Davies (Consultant)

**11:00 – 11:59 AM Discussion on Findings and Implications on Proposed External Cause Matrix Work**

Holly Hedegaard (NCHS)

**12:00 – 12:59 PM Lunch****1:00 – 2:00 PM Proposed Case Definition Discussion**

Holly Hedegaard (NCHS)

**2:00 – 3:00 PM Planning Next Steps****3:00 PM Adjourn**

*Please note there are sessions that may be of interest that will be occurring at the CSTE Substance Abuse Workshop “Surveillance Issues for Mental Health and Substance Abuse: From Basic to Advanced” in Room 410A of the Boise Centre. The sessions to note are the morning discussion on recommended CSTE indicators for substance abuse and mental health, which will have a related afternoon discussion focused on the drug poisoning-related indicators. We have structured our agendas accordingly.*
